**THIRD GRADE  
2023 SUMMER PACKET**

**FUTURE THIRD  
GRADE STUDENTS**

# Summer Reading

Free access to ebooks, audiobooks and resources for all interest levels.

# Summer Reading Activities for Future Third Graders

1. Select two books (informational & literary) to read that are at your reading level.
2. Choose one activity to complete for each book.
3. Be creative with the materials you will use as: markers, paints, construction paper, craft supplies, recycled items, etc.
4. You can use your own drawings, clip art, or internet pictures. Any hand-drawn illustrations should always be completed in color.
5. Spelling and grammar count on all projects!
6. You can print or type your project, BUT all information should be written in your own words. NO PLAGIARISM
7. All book projects must be dated, measure  $8\frac{1}{2} \times 11$ , contain the title of the book and author's name.

<b>Informational Text</b> Create a tri-fold for your nonfiction text. Tri-fold should include: <ul style="list-style-type: none"> <li>• illustrations with captions</li> <li>• glossary (minimum 3 words)</li> <li>• Did you know facts? (5 facts)</li> <li>• Remember to include title/author</li> </ul>	<b>Literary Text</b> Create a timeline of the book. Your timeline must include at least 10 events with descriptions in order from beginning to end of the story along with pictures to represent each event.
<b>Informational Text</b> Write a poem about the idea, topic, or information presented in your book.	<b>Literary Text</b> Create a collage around central idea or theme in the book. For example: friendship, courage, family, etc. Write a half page description of the central idea or theme presented in the collage.
<b>Informational/Literary Text</b> Make a poster $8\frac{1}{2} \times 11$ advertising your book so someone else will want to read it. Write a half page explanation why someone will want to read it.	<b>Informational/Literary Text</b> You are the reporter. Write a front-page news story or a report live from the scene.

**Projects should not exceed the size of a sheet of paper!**

**Effort, creativity and neatness count!**

We highly recommend utilizing the following free online educational websites on the student portal to assist your child in preparation for third grade.

## Summer Tips for Success with Reflex!

Dear Parents/Guardians,

Help your child avoid the “summer slide” and encourage them to use their Reflex account this summer! Reflex is an online, game-based program that helps students build fast and effortless recall of math facts. Research has shown that quick recall of math facts is critical for future success in mathematics.

### Summer Tips for Success

- **Student Login is via M-DCPS Student Portal**
  - Select Reflex via Schoology.
  - Students will be taken directly into their accounts. No username or password required.
- Students are encouraged to login to **Reflex** math through their student portal at least 3 times a week and strive for the “**green light**” each time. Importance of the Green Light Info
- Your child can utilize the **Reflex** math program from any device with internet access throughout the summer, including smartphones.
- **Reflex** helps students of all ability levels to develop fluency with their basic facts in addition, subtraction, multiplication and division.
- **Reflex** continuously monitors your child’s performance to create an optimal experience for them.
- Encourage your child(ren) to participate in the **M-DCPS Reflex Summer Math Challenge**. No special registration required. Just login as usual, *Get the Green Light*, and have fun throughout the summer.

Have a wonderful & safe summer!
