Miami-Dade County Public Schools recognizes the importance of ensuring that students continue to strengthen reading skills, and develop a passion for reading beyond the time they spend in school. Summer reading provides students with an opportunity for daily recreational reading, personal exploration, and continued intellectual growth.

Attached is a list of suggested titles for summer reading.

These books and a multitude of other titles can be found in one of the district's free digital resources by going to <https://read.dadeschools.net>.

Summer READING PROJECT

FILE FOLDER BOOK PROJECT

STEPS

1. Select a book to read that is at your reading level.
2. While reading your book, make notes about the novel's plot, characters, setting, theme, and your personal reactions to the book. Make your notes on the FIRST DRAFT pages.
3. After you have finished your book and completed all of your FIRST DRAFT pages, review your work. Check your work for accuracy, spelling, mechanics, and grammar. Find ways to improve your first draft pages. Remember, your work on the FIRST DRAFT will also be graded.
4. Begin working on your FINAL COPY pages. Write neatly. Do your best work!
5. Assemble your File Folder Book Project.
 - You will need:
 - Your FINAL COPY pages
 - A file folder
 - Glue
 - Scissors
 - Any pictures you plan to include (For example: the book cover, other books, a scene from the book)
 - Art Supplies to "jazz up" your project (markers, glitter, stickers, colorful paper)
 - Follow the template for how to put together the file folder.
6. Review your File Folder Book Project. Make sure that it is free from errors and represents your best effort.
7. Place your FIRST DRAFT materials inside of the file folder. Bring your File Folder Book Project back to school on _____.

FRONT COVER

The front cover of your project should be bold, creative, and high quality.
It must include the book's title and author.

Brainstorm ideas for your project cover design below. You may want to try to get an image of the book cover from the internet, draw your own illustration, or design a new cover. Feel free to add other images that relate to the novel, decorations, and creative elements to the cover.

COVER BRAINSTORM:

NEXT STEPS:

- Make sure you have a creative design for your front cover.
- Assemble the materials you will need and then design your project's front cover.

Final Copy MATERIALS

Cut out each file folder element by cutting along the dotted lines of each shape. You'll want to be sure to include the words Plot, Characters, Setting, Theme, Review, and Other Books when cutting out the shapes. Glue each shape into its specified location on your file folder.

PLOT

Use your first draft brainstorm to complete the character chart and question below. Since this is your final copy, be sure to write neatly. Then, cut out the shape along the dotted lines. Glue the shape under the "Plot" shape on the inside of the folder - left side, bottom.

CHARACTER NAME (include nicknames)	PHYSICAL TRAITS	PERSONALITY TRAITS

What has the main character learned about himself/herself or about others through his/her experiences in the novel?

CHARACTERS

Use your first draft brainstorm to fill in the setting details on the lines provided. Then, draw or add a printed picture that represents a significant setting from your book. You may want to add labels to take your illustration to the next level. Finally, cut out the setting shape and glue it inside your project folder - right side, top.

SETTING

WHERE does the scene take place?

LIST details/adjectives to describe the scene.

WHEN does this scene occur in the book?

Use your first draft brainstorm to fill in the theme details below. Then, cut out the theme shape and glue it inside your project folder - right side, bottom.

What are the main things that happened in the book?

- 1.
- 2.
- 3.

What do these events teach the reader about life?

What is the author's message or theme?

THEME

Write you're a final copy of your personal review below. Then, cut out the shape.
Finally, glue the shape to the back of the folder along the TOP.

REVIEW

Use the listing of books by the same author that you compiled in your FIRST DRAFT to fill in the shape below. Include books by the same author. Then, cut out the shape. Finally, glue the shape to the back of the folder under your REVIEW.

Keep the learning going this summer with IXL!

Exciting news: your child will have access to IXL all summer long! To get started, simply have your child sign in to IXL and start working on skills.

And, easily find the right skills to prepare your child for next school year with IXL's **Summer Boost skill plans**. These ready-made sets of essential skills prepare kids for their next grade level. Have your child work through these day-by-day recommendations over the summer to give them a strong start next school year.

How to find the perfect IXL skills for summer

1

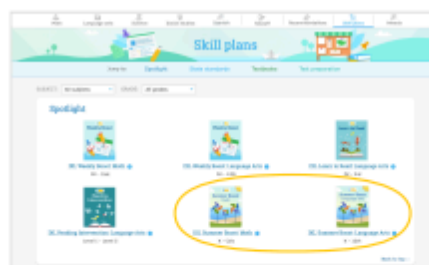

Once signed in to IXL, hover over Learning in the green toolbar and click on **Skill plans**.

2

Click into a **Summer Boost skill plan**, located at the top of the page in the Spotlight section.

*Hint: If a child just finished 4th grade and is a rising 5th grader, click into the 5th grade skill plan.

3

Your child can begin working on the **skill plan** by clicking into the first skill. We suggest following the pacing guide on the skill plan.

Tips for Success

Work to a SmartScore of 80

For each IXL skill, your child should work to a SmartScore of 80, which is considered proficiency. This assures that they have a really good grasp on the skill.

If your child achieves proficiency and is ready for a challenge, they can always strive for mastery—a SmartScore of 100!

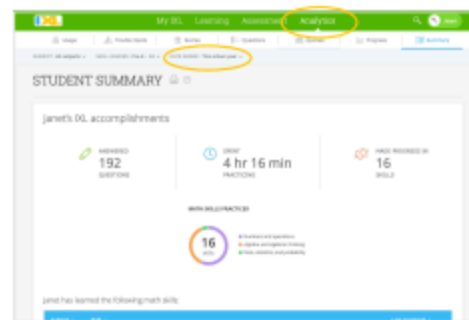

In-the-moment support

IXL provides built-in tools to assist kids learning on their own. This includes audio support, comprehensive support in more than 80 languages, video tutorials for key math and language arts skills, and immediate feedback with step-by-step explanations.

Track your child's progress

See how your child is progressing and where you can help them grow. Navigate to Analytics to open the Student Summary report.

Change the date range to filter for your child's summer progress. You'll see all their recent accomplishments, which skills they need additional help on, and ways that you can provide extra support with IXL.

Go above and beyond

Challenge your child with a "Next Up" skill! After kids have reached a SmartScore of 90 in a skill, IXL recommends "Next Up" skills that build upon what your child just learned so they can continue to advance.
