Reading Summer Packet

Dear Parents,

We welcome our future second grade students! The Summer reading packet will help your child stay prepared and geared up for second grade. Enclosed please find a Reading choice board. Your child can select 3 reading activities to complete. We also recommend practicing reading skills on i-Ready 45 minutes per week when it becomes available in the summer. Students are to access i-Ready via the student portal using username and password.

You will also find a reading log to record digital books read from MyOn. Please have your child read a book at least 30 minutes a day. When your child is finished reading a book, he or she is to write inside a notebook a journal entry responding to at least two questions below.

1. What are some parts in the book that remind you of something that has happened to you?
2. What books can you remember that remind you of the book you just read?
3. What I read makes me think about . . .
4. I was surprised that . . .
5. I wonder why the author . . .
6. I really want to know . . .
7. The part I like best is _____ because . . .
8. This selection makes me feel . . .
9. I wish the author had . . .
10. I predict that . . .
11. The setting reminds me of . . .
12. The problem in this story is . . .
13. _____ (character) reminds me of _____ because . . .
14. I think the main character feels _____ because . . .
15. List three new vocabulary words from your reading. How are they used in your book, and what do they mean?
16. The most interesting part of my book is..., because...

Let's keep our reading skills sharp. Have a great summer!

Sincerely,
Second Grade Team

- Ziploc sandwich bags and / or gallon bags

*Please label all supplies designated for World Language as **"World Languages"***
Additional materials may be requested by specific World Language Teacher

Not Another Book Report

Directions: Select 3 activities from the chart to complete. Activities are due _____

Character Analysis

Choose a character from the book. Write 3 sentences using character traits to describe the character based on their actions in the story. *Use text evidence to support your answers.

Would you want to be friends with this character? Why or why not?

5 Questions

Create 5 comprehension questions about characters and events from the book.

Next- Write the correct answer for each question.

Sequence Chart

Create a sequence chart with 5-8 boxes to tell the most important events from the book. Draw a picture and write a caption for each event.

*Make sure your events are in order.

Continue the Story

Pretend you are the author and you are going to add another chapter to the book. Write 2-3 paragraphs to tell what happens next in the book.

Change it!

Select 2 parts of the story that you would like to change. Explain the part you selected and how you would change it to make the story better.

Word Wizard

Find 5 new, tricky, or fun words from the story. Use a dictionary to write the definition for each word. Then write a paragraph using all 5 words.

Character Conversation

Imagine you could have a conversation with a character from the book. Which character would you want to chat with?

Write down 5 questions you would ask the character based on events from the book.

Picture it!

Use a large piece of paper. Draw detailed illustrations of the following parts of the book.

- Setting
- 2 characters
- A problem and how it was solved

A Letter to the Author

Research the author of the book to find out more about them. Then write a letter to the author using proper letter format. Your letter should have the date, greeting, at least two body paragraphs, closing, and signature.

Book Review

Did you enjoy this book? Why or why not?

Create a 5-7 sentence book review that briefly summarizes the book and your opinion after reading it.

Then rate the book on a scale of 1-5 stars.

Sing All About it!

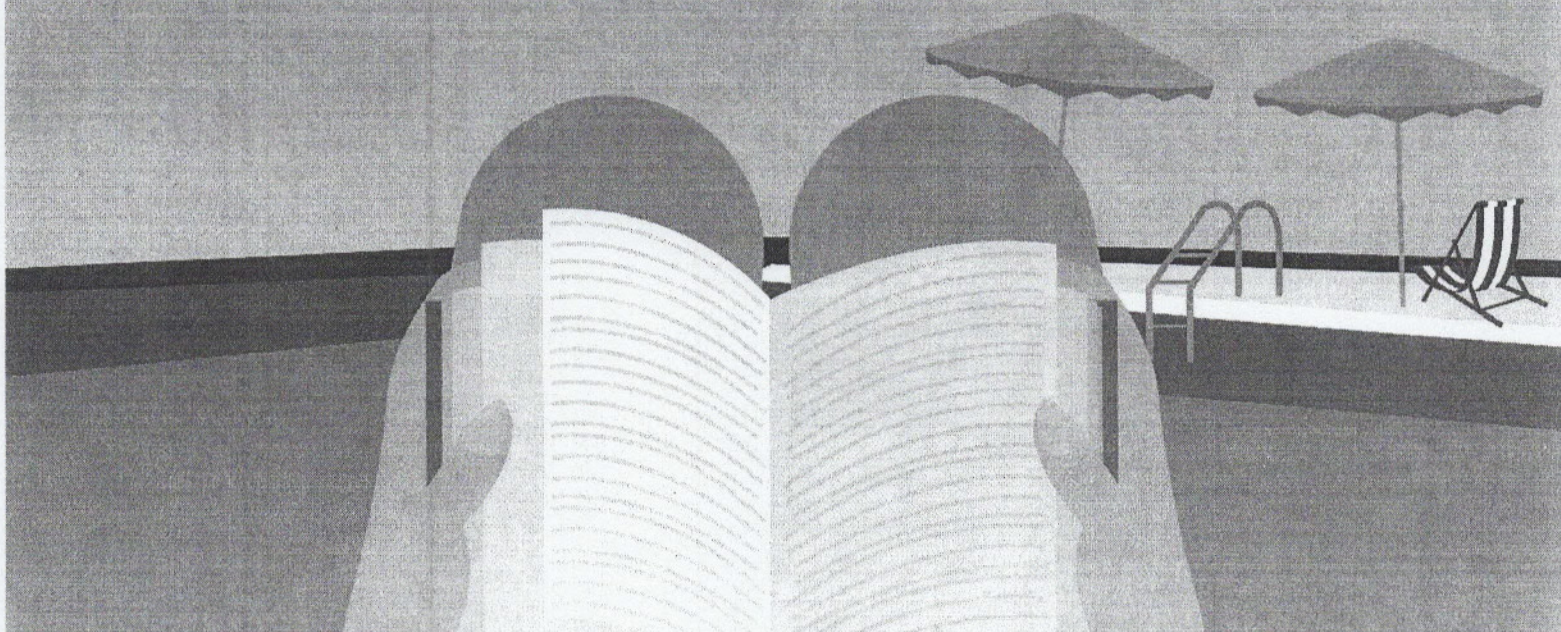

Use a well known song and rewrite the lyrics to tell about the book.

Jacket Designer

Design a new book jacket for this book. Create a front cover illustration that includes the title and author. On the back write a brief introduction to the book.

*Remember don't give away important events from the book.

SUMMER READING CHALLENGE

myON

by Renaissance®

THURSDAY, JUNE 9 - SUNDAY, JULY 31, 2022

**Top 10 myON readers in grades PreK-8
will be recognized for meeting all three categories:**

1. Most "Time Spent Reading"
2. Score at least 70% on "Book Quizzes"
3. Demonstrate Lexile Level Growth

PRIZES AWARDED INCLUDE:

**Top 3 District-wide Winners
will be rewarded with a:**

Apple iPad Mini*

*Previous winners are not eligible
to win iPad.

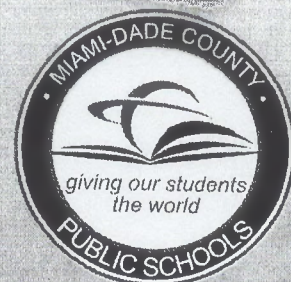

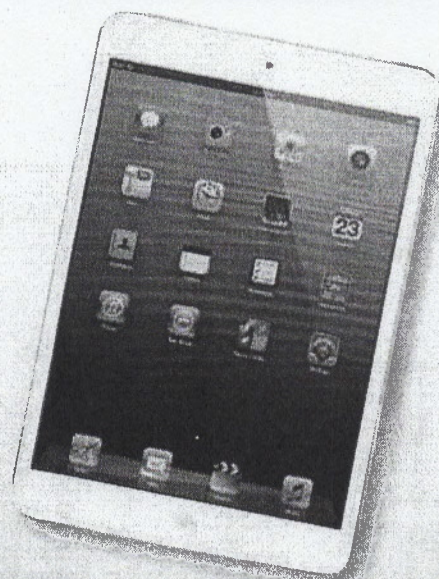

**Top 10 Grade-level Winners
One winner per grade level (PreK-8)
will be rewarded with a:**

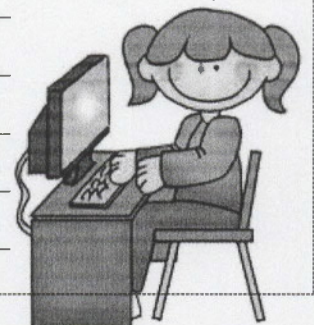

\$50 Gift Certificate

For more information contact OlemaHerrera@dadeschools.net

Reflex

Math fact fluency – problem solved

Summer Tips for Success with Reflex!

Dear Parents/Guardians,

Help your child avoid the “summer slide” and encourage them to use their Reflex account this summer! Reflex is an adaptive and individualized program that continuously monitors each student’s performance to create the optimal experience for every child. Reflex is a game-based program that helps students build fast and effortless recall of math facts. Research has shown that quick recall of math facts is critical for future success in mathematics.

☐ **Student Login is via M-DCPS Portal**

- Select the Reflex App Icon.
- Students will be taken directly into their accounts. No username or password required.

- ☐ Students are encouraged to login to **Reflex** math through their student portal at least 3 times a week and strive for the “**green light**” each time.

- ☐ Your child can utilize the **Reflex** math program from any device with internet access throughout the summer, including smartphones.

- ☐ **Reflex** helps students of all ability levels to develop fluency with their basic facts in addition, subtraction, multiplication and division.

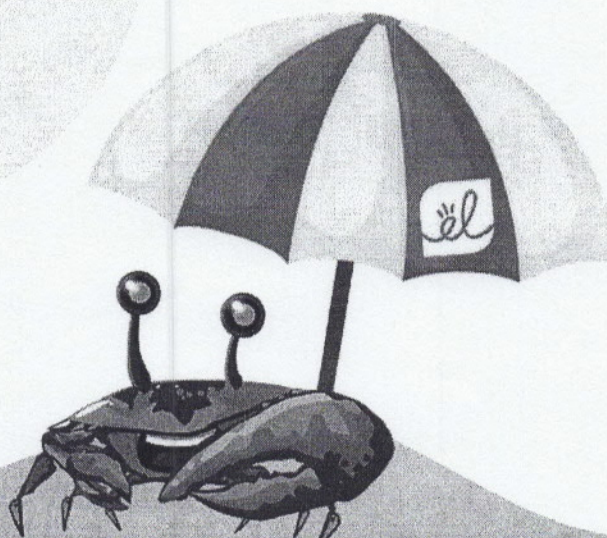

- ☐ Encourage your child(ren) to participate in the **M-DCPS Reflex Summer Math Challenge**. No special registration required. Just login as usual, *Get the Green Light*, and have fun throughout the summer.

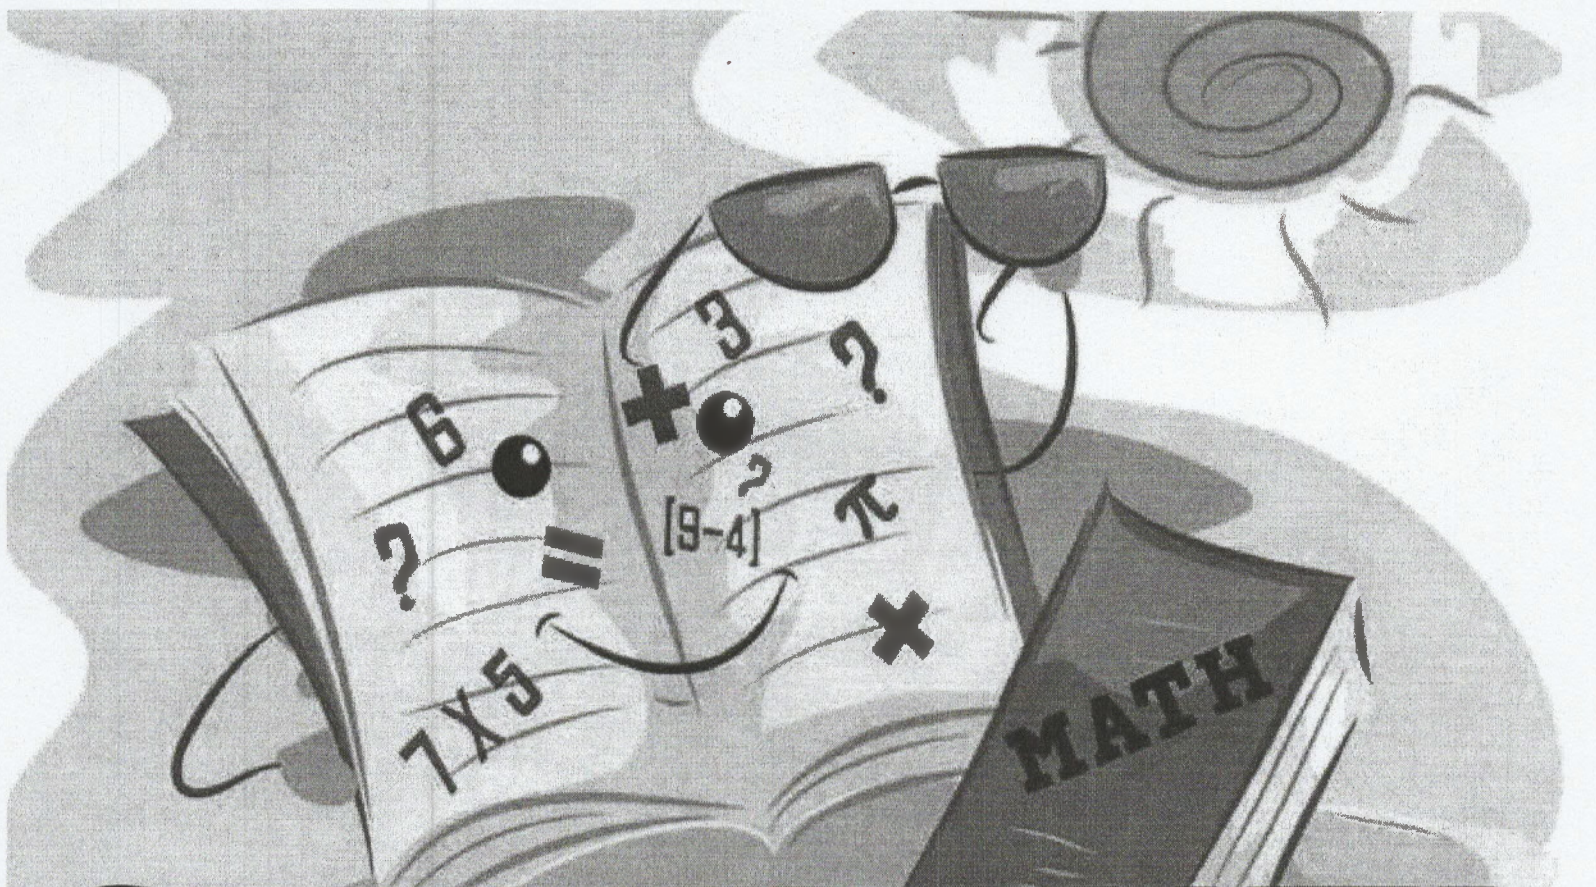

- ☐ Parents can easily monitor their child’s progress by creating a **Free Reflex Parent Account**. Use the instructions below to create your Parent Account.

Parent Reporting Account Sign-Up

1. Go to reflexmath.com/parents
2. Follow the onscreen instructions to get free access.
3. Once logged in, follow instructions to add your child.

**Your Child’s Login
Information**

SUMMER MATH CHALLENGE

THURSDAY, JUNE 9 - SUNDAY, JULY 31, 2022
Top 5 grade level winners (1 winner in grades
1-5 and 1 overall winner from grades 6-8)

PRIZES AWARDED INCLUDE:

Amazon Fire 10 HD Tablet and Reflex Math SWAG Bag for
meeting all four categories:

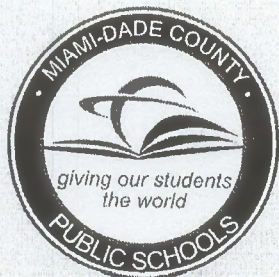

1. **Highest Average Daily Use**
2. **Highest Green Light Percentages**
3. **Greatest Facts Gained**
4. **Greatest Facts Solved**

*Previous winners are not eligible to win.

Math Summer Packet

Greetings Parents,

The Second Grade Math Team would like to welcome you and your child to 2nd Grade. It is imperative that your child has an understanding of the basic addition and subtraction facts as we will be introducing addition and subtraction with 2-digit numbers early in the year. Therefore, please have your child practice their basic addition and subtraction facts throughout the summer for at least 15 minutes each day using the resources below.

Online Learning Resources

Log in through your student portal using your username and password

Reflex Math: 5x's per week 15 minutes each day

i-Ready: 45 minutes per week

For i-Ready please make sure they DO NOT work on i-Ready more than 2 times per week. If they work on it too many times it will advance them to a higher level that they may not be able to complete.

Below please see a list of skills they should know upon entering 2nd grade.

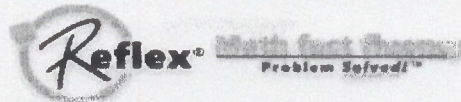

You can guide your child in watching one of the YouTube videos below daily to practice remembering that skill.

- Counting by 2's, 5's, and 10's https://www.youtube.com/watch?v=q_yUC1NCEkE
- Even and Odd numbers <https://www.youtube.com/watch?v=x1EGRIUXmNdY>
- Identify numbers 1-100
- Count on and back on a number line <https://www.youtube.com/watch?v=D3h-keK3Fg8>
- Understand the "ones" and "tens" place
- Add and subtract numbers up to 20 (10+8 or 20-8)
- Solve word problems up to two-digit numbers
- Know which is the hour hand and which is the minute hand on a clock!
- Tell the time to the hour and half hour on an analog clock
- Know the name and value of each coin <https://www.youtube.com/watch?v=pnXJGNo08v0>
- Know names of common shapes 
- Organize data up to three categories (ex: how many children in the class like plain, pepperoni, or sausage pizza)
- Put items into categories by size, color, or shape

Sincerely,

Second Grade Math & Science Team

-----'s Reflex Math Log

Directions: Knowing our basic facts is important! Let's improve our reflex math fluency percentage by logging onto reflex math at home. When you complete the log, bring it in into school to receive a prize! *Note: This is not required, but strongly encouraged!*

M-DCPS SUMMER Reading 2022

**Free access to eBooks and
audiobooks for all interest
levels for grades K-5**

<http://read.dadeschools.net>

The collection of grade-appropriate activities below may be used to enhance the summer reading experience for students. The activities are reflective of different learning styles and several of them focus on high-order tasks as required by Language Arts Florida Standards. Schools may use the following activities as listed or may modify them to meet specific student learning styles. The length of the assignment and the amount of time that will be required to complete should be considered when making summer reading assignments.

- Use Microsoft Forms via Office 365 to complete a digital weekly My Summer Reading Log on the books read.
- After reading a book select the 5 most important words in the book and explain why these words are important to the main idea(s) or information presented.
- Create a comic strip to summarize the book you have read.
- Draw a map of the book's setting. Explain the setting in two or three sentences below the picture.
- Create a picture timeline of all the events in the book, labeling each of the events to provide facts, definitions, or important points taking place.
- Create a poster about the book using one or two of the following media: finger- paint, watercolors, crayons, chalk, real materials. Write one to three sentences to explain your visual representation.
- Create a puppet, finger puppet, or draw a portrait about your favorite character. Write a sentence or two of what your character would say to the author.
- Cut out magazine pictures to make a collage or poster illustrating the central idea or theme of the book. Add descriptive words to convey the central idea or theme of the book.
- Write a friendly letter to the main character asking questions and reacting to the events in the story.
- Create a rebus summary (*a summary that uses pictures to represent words*) on one of the books you have read. Substitute pictures (that you draw or cut out) for some of the words you have used in the written summary your book.
- Create a PowerPoint presentation retelling the story using pictures only.
