Help protect our environment by finding these hidden recyclable household items.

- | | | | |
|-------------|-----------|-----------|----------------|
| ALUMINUM | NEWSPAPER | JUICE BOX | TELEPHONE BOOK |
| MILK CARTON | GLASS JAR | SOUP CAN | MAIL |
| CARDBOARD | BOX | MAGAZINE | WATER BOTTLE |

Use the words in the box to complete the recycling facts below. Then, unscramble the circled letters to reveal Miami-Dade County's slogan about recycling.

- When you are done drinking out of your juice box, don't r it away.
- Soda cans are made of this recyclable material: n
- Recycling one ton of p can save 17 trees.
- Two places that you can recycle are at school and at e.
- Recycling saves n .

paper
aluminum
energy
throw
home

Recycling is easy on the and easy on you!

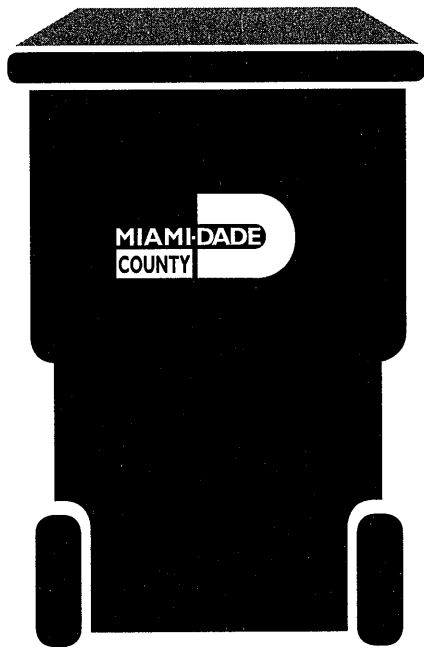

Answers: 1. throw 2. aluminum 3. paper 4. home 5. energy Earth

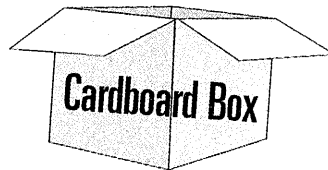

Don't throw it all away! Some of the items below can be thrown away, but others can be placed in a Miami-Dade County blue recycling cart. Sort the items by drawing a line from the item to the correct cart.

Garbage Cart

Recycling Cart

MILK

Foam Cup

Plastic

GARBAGE CART: apple, light bulb, foam cup, watch
 RECYCLING CART: soda can, milk carton, water bottle, newspaper, cardboard box, cereal box, paper bag, glass bottle.

SOLID WASTE MANAGEMENT

Certificate of Appreciation

REDUCE • REUSE • RECYCLE

is hereby presented to

In recognition of your personal commitment to
learn more about the importance of recycling
and protecting the environment.
