

PARENT PORTAL

Instructions to creating your account:

<https://comingsoon4parents.dadeschools.net/#!/fullWidth/8981>

You will have to add your child to your parent portal. Please visit the main office with your photo identification for the 6 digit pin and your child's student ID number to complete this process.

If you already have a parent portal for a sibling, you must ensure the next child is added as well. To add the next child, you will need that child's individual parent pin and student ID number.
