Hello Parents!!

Welcome to the 2025-2026 school year! We LOVE Pictures!!! We document a lot of what we do in the classroom with photo and/or video. We want to share those with you!

The first way will be using Class Dojo. This is a great way to share with you what we are doing in class, post pictures of our class in action in our class story, send pictures of your child to you, and send updates through our class story. It is also a great way for us to communicate regarding your child.

We also have an account for potential donors on DonorsChoose.org and Adoptaclassroom.org to provide our classroom with additional funding. They require a class photo so donors can see who they are supporting.

In order to do this, we need your permission to use classroom photos for the educational purposes described above.

Sincerely, Mrs. Polanco & Ms. Barrios

I hereby give permission for my child _____
