Students take one course from each core academic area, one world language, and one elective. The administration will attempt to assign electives of the student's choosing, but that is not guaranteed. The administration has the right to make changes in student schedules and holds the final decision in the courses assigned. All FAST Reading Level 1 & 2 students will take a required reading class in place of an elective. Students with an FAST Math Level 1 or 2 may be assigned an additional math class in place of an elective.
