

SOIL LAYER PUDDING RECIPE

Ingredients:

- M&M's
- Chocolate pudding (prepared)
- Oreo cookies
- Gummy worms

*Teacher: Give each student two Oreos and a small Ziplock bag.

Student Directions:

1. Place the Oreos in bag and seal it. Crush the Oreos against a desk or table to break them into small pieces.
2. Put 2 scoops of M&M's into the bottom of a cup to form the bedrock layer.
3. Next, add 3 scoops of chocolate pudding to form the subsoil.
4. Then, add your crushed Oreos to form the topsoil.
5. Last, add two gummy worms.
